## COLLEGE MINISTRY

### FREQUENTLY ASKED QUESTIONS

#### **How do I get connected with Brook Hills College Ministry?**

The easiest way to get connected at Brook Hills is to join us at our College Community Group. We meet in the college modular beside the student building on **Sunday mornings at 9:00AM**. The purpose of this gathering is to make a big church smaller. This will be a great environment for students to explore the various ministry opportunities of Brook Hills while finding great community, encouragement from the Word, and connection to a small group, the core of our ministry. If you have any questions, feel free to email us at [college@brookhills.org](mailto:college@brookhills.org).

#### **What is a Small Group?**

Small groups are made up of college students that meet weekly to pray, study the Word, and share their lives together. It is an opportunity for discipleship, accountability, and outreach amidst gospel-centered community. These groups are united under and compelled by the gospel to engage the lost around them both individually and corporately. We believe that as students collectively submit themselves under the Word of God, they are commissioned by the Spirit of God to proclaim the good news on college campuses and around the world.

#### **What is College Corner?**

College Corner is a time when college students can socialize, drink coffee, and eat donuts between the morning services at Brook Hills. This takes place in the main lobby from 10:30-11:00AM Sunday mornings. College corner will provide a consistent way to not only connect to other students, but also find out what other events are on the horizon for our college ministry.

## A WORSHIPPING AND WITNESSING COMMUNITY

### WORSHIPPING

The God who made us and saved us is infinitely worthy of worship. We gather each Lord's Day to exalt this God and to be strengthened in Him. We pray that this day of worship leads to a week of worship!

### WITNESSING

Good news, if it is truly good news, should be shared. We seek to share the good news at CFC through verbal proclamation here and around the world and through a loving, clear witness to Jesus as a body of believers.

### COMMUNITY

We value community at CFC, and we know that community only truly happens when Jesus is central in our lives and relationships. So, we aim to put the gospel at the center of all we do in the church, praying for and seeking life-giving relationships that are authentic, loving, and gracious. As a practical matter, we strongly encourage everyone in our church — especially college students — to participate in a Growth Group where they can live out the commands of Christ in close proximity to other believers. If you would like to be in a group, please contact Nick Murray at [nmurray@cfcbermingham.org](mailto:nmurray@cfcbermingham.org).

---

At Christ Fellowship Church, our hope for all of our college students is one in the same for all of our church members. We want them to be deeply involved in the life of the church, knowing members of all ages, and being known in return. Our goal is to have all of our college students folded into the life of our church by participating regularly in worship, being committed to a growth group, and being involved in discipling relationships with members across our body.

# An Ancient Rhythm *for the* Christian Life

For centuries Christians have ordered their lives by seasons, days, and hours to remember the life, death, and resurrection of Jesus Christ. These “rhythms” are desperately needed in our age of distraction. Christ the King Anglican Church invites you to join us in living this rhythm together.

## ABOUT OUR WORSHIP

Christ the King follows an ancient liturgy centering on the Scriptures and culminating in Holy Communion. This formal rhythm of worship includes hymns and contemporary music, the public reading of Scripture, preaching, and the Sacraments of Communion and Baptism. You are invited to observe the seasons of the church calendar including Advent, Epiphany, Lent, Eastertide, and the Ordinary season.

## ABOUT ANGLICANISM

Christ the King is a parish of the Anglican Diocese of the South (ADOTS) which is a diocese of the Anglican Church of North America (ACNA). ACNA is also connected to The Global Anglican Future Conference (GAFCON) which describes itself as “a global family of authentic Anglicans standing together to retain and restore the Bible to the heart of the Anglican Communion. Our mission is to guard the unchanging, transforming Gospel of Jesus Christ and to proclaim Him to the world. We are founded on the Bible, bound together by the Jerusalem Statement and Declaration of 2008, and led by a Primates Council, which represents the majority of the world’s Anglicans.”

## SERVING THE CHURCH

The church is not a building or a place. The church is the body of Christ, those who have put their faith in Jesus. We are a part of Christ's church, and we believe that this generation can have an incredible impact in the world by plugging into a local church and serving.

## UNITED WITH BELIEVERS

God created us to live in community. Community is where relationships are formed and lives are changed. As a community we strive to follow and exalt Jesus. We do this by studying God's word, praying, hanging out, and inviting others to join us on the journey.

## BEARING THE GOSPEL

Jesus commands us to make disciples. We strive to do this by sharing the gospel of Jesus with those in our local community, state, country, and across the globe. Although we seek opportunities to share Jesus on a daily basis, we also present specific mission opportunities locally and around the world for college students to bear the gospel.

## College Small Group

meets every Sunday at  
11:00am in the Chapel.

We are a community of college students who exist for the glory of God, committed to making the name of Jesus known in all the world, and seeking to become more like Him through the work of the Holy Spirit.

### *Students who worship*

We are captivated by the glory of God, and we worship him with all aspects of our life as we offer ourselves as living sacrifices to Him (Romans 12:1-2).

### *Students living in community*

We are devoted to loving God and all our neighbors as we cultivate a community of belonging (Matthew 22:36-40).

### *Students committed to discipleship*

We are active in discipleship and spiritual growth as we long for the name of Jesus to be known in all the world (Matthew 28:19-20).

Redeemer Community Church first gathered in the home of Joel and Lauren Brooks in 2008 with the desire to see a new church family planted in the heart of East Birmingham. Since then the congregation has grown and moved to the Avondale neighborhood and currently meets in a historic church building originally established by South Avondale Baptist Church. Redeemer exists to bring about the joyful fulfillment of God's design for every last person: to love him with our whole heart, soul and mind and to love our neighbor as we love ourselves. We believe that God has called us to be a part of the spiritual, social & cultural renewal of Birmingham and the world. We gather for corporate worship as a household of faith to worship the Triune God, and to grow in knowledge and love of Him. We scatter throughout the city as missionaries to serve the people of Birmingham that many would be saved to love, trust, and obey Christ, in the power of the Spirit, to the glory of the Father.

We begin the school year with Pancake Kickoff (8/31), go on Fall Retreat (9/29-9/30) to connect with Jesus and one another, gather for lunch twice a semester, serve with Urban Purpose downtown, and have other various opportunities to connect with one another and serve our church and city.

## **Mission Projects | Annually**

We take teams to serve alongside a church plant or ministry partnership in various locations worldwide. We prepare, plan & pray together in the months leading up to the trip before serving over spring break or a few weeks in summer.
